I DATA AND ACCESS

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Mrs. Leanne Cerda, Principal

Cutler Elementary School is the home of the Wildcats to approximately 680 students in transitional kindergarten through grade five. The dedicated staff cares about our students and community. Our student population comes from hard working families that value education and want a brighter future for their children. We are excited and enthusiastic about our Professional Learning Community and work diligently to provide our students with the very best educational experience. Together with our teachers and staff, we are dedicated to ensuring the academic success of every student providing a safe and productive learning environment. The school holds high expectations for the academic and social development of all students. In addition, through Positive Behavior Intervention Support we teach students to follow the Wildcat Way by showing respect, making good decisions, and solving problems. We believe that excellence in academics and respectful attitudes and behaviors are the key to success now and in the future. Our school motto is "Exceed ALL Expectations" and our staff strives daily to provide our students with the academic support and skills to achieve this motto. Parents and community members are important to our academic program. We welcome your participation in school activities and encourage you to join our PTA, School Site Council (SSC), and English Language Learner Advisory Council (ELAC). Our staff looks forward to working with you and our students on another year of academic success.

B. PUPIL OUTCOMES

STATE PRIORITY: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/ Literacy (grades 3-8 and 11)	25%	30%	29%	33%	48%	48%
Mathematics (grades 3-8 and 11)	24%	29%	27%	28%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	310	304	98.06%	30.26%
Male	170	168	98.82%	25.60%
Female	140	136	97.14%	36.03%
Hispanic or Latino	300	294	98.00%	30.61%
Socioeconomically Disadvantaged	301	298	99.00%	30.20%
English Learners	226	221	97.79%	29.86%
Students with Disabilities	15	14	93.33%	
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Eleven (School Year 2016-17)

Students with Disabilities	15	14	93.33%	
Students Receiving Migrant Education Services	19	19	100.00%	42.11%
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level

percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight and Ten**

Subject	Percentage of Students					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8 and 10)	21.0%	14.0%	40.0%	40.0%	56%	54%

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority; Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. ENGAGEMENT

STATE PRIORITY: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

The Cutler-Orosi Joint Unified School District has six Parent Involvement goals:

1. Help parents develop parenting skills and foster conditions at home that support children’s efforts in learning.
2. Provide parents with knowledge of techniques designed to assist children in learning at home.
3. Provide access to and coordinate community and support services for children and families.
4. Promote clear, two-way communication between the school and the family as to school programs and children’s progress.
5. Involve parents, after appropriate training, in instructional and support roles at the school.
6. Support parents as decision makers and develop their leadership in governance, advisory, and advocacy roles.

Parents are actively involved in the School Site Council and the English Learner Advisory. Parents receive training on how to help students at home and to monitor their progress. Home-school communication and partnerships are further strengthened through parent-teacher conferences. Our teachers address parent concerns promptly and value their input. We invite our parents to several parent nights throughout the school year. We also recognize our parents with their student during our end of the Trimester assemblies. This is our second year having our Wildcat Parent Academy which provides parents with eleven workshops that combine parenting and leadership skills that empower parents to become vital contributors to their children’s academic success. The eight comprehensive workshops are presented by a parent volunteer, two classified staff, our school counselor and our principal twice a year. Cutler Elementary School also has a strong PTA that meets on a monthly basis. Please contact Principal Mrs. Cerda @ 528-6931 if you would like more information.

Sate Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspension and Expulsions

School			District				State

School Safety Plan (School Year 2017-18)

Our entire school staff is committed to providing a safe environment for our students. The principal and Learning Director formed a committee to study and review the safety plan for Cutler school. The Cutler School Safety Plan was updated by this committee and will be approved by the Cutler School Site Council on February 6, 2018. Safety is discussed and all staff are familiar with the components of the plan. Teachers regularly stress safety with their students and the students are closely monitored during all activities with the utmost safety standards in mind. Emergency response procedures have been discussed and all staff and key personnel were trained on August 28, 2017. Many of the teachers and support staff have taken part in the district CPR/First Aid Training program. Fire drills and emergency lockdown drills are a regular part of the school's program. Drills are performed on a monthly basis to prepare students and staff for possible classroom evacuations. Every classroom/office has a Safety folder which includes the following tabs: Tab 1 - Evacuation Map, Site Directory, Emergency Telephone List, Bell Schedule, Crisis Management Procedure, Campus Emergency Assignments, Emergency Evacuation Locations, Teacher "Buddy" List, District Directory. Tab 2 - Emergency Response Procedures: Evacuation. Tab 3 - Emergency Response Procedures: Shelter In Place. Tab 4 -Emergency Response Procedures: Drop and Cover. Tab 5 - Emergencv Response Procedures: Lockdown

Types of Services Funded (Fiscal Year 2016-17)

Cutler Elementary School provides special programs to meet the needs of students with exceptional needs, including students with learning disabilities, gifted and talented students and migrant children. Also, a comprehensive program is provided for those students who are English Learners (EL Students). Intervention programs are provided for students who need help meeting grade level requirements during the school day and after school. A learning center has been set up for extra academic help and intervention for students in the lower academic level. Classroom libraries are maintained to promote the Accelerated Reader Program along with adding computers needed for this program. Cutler Elementary School recognizes student achievement in the academic and behavioral areas with certificates, medals, and fun activities. Cutler Elementary School complies with all State and Federal regulations to ensure equal access to instructional programs regardless of gender, ethnicity, or disability. Starting in the 2014-2015 school year a behavioral counselor was added to Cutler Elementary School. The counselor is involved with children with social-emotional, behavioral issues and our PBIS program. In addition, the counselor advises teachers in classroom behavior techniques and provides support.

Professional Development

Cutler School participates in a 90-minute staff development and collaboration period through a "Late Start Wednesday" program. Teachers meet weekly in grade level Professional Learning Communities to focus on Common Core Standards, student data and on learning strategies that make a difference in student achievement. The teachers also receive professional development through lesson studies on different learning strategies given by the academic coaches throughout the school year. Teachers receive professional development from district-wide in-service training and other opportunities offered from outside sources.

The County Office of Education has provided many and varied in-service workshops in which many of our staff have chosen to attend. Professional development covers major subjects (Reading, Writing, Language, Math, Close Read, Running Records, Fountas and Pinnell), technology use and Special Education training. All teachers were provided with 4C's, 4L's, Learning Targets and DOK training. All our teachers were also provided training on the new EL Common Core Standards. Para-professionals and volunteers also participate in training that increases their skill levels in supporting students to meet or exceed grade-level standards. All teachers were provided with Guided Language Acquisition Design (GLAD) training to ensure great teaching the first time.

Our primary area of focus is reading. Our data shows that many of our students are not at grade level. Our goal is to get every student on grade level by the time they enter third grade. Our teachers were provided with training on how to use Fountas and Pinnell, Running Records and small group leveled reading instruction to better serve our students. Walkthroughs are conducted by the leadership team and administration on a weekly basis. The Instructional coaches conduct model lessons and provide extra training for those teachers who need more assistance based on our walkthroughs or teacher request.
